

VICTORY HEIGHTS PLAYGROUND PLAY AREA RENOVATIONS

Seattle Parks and Recreation is renovating the Victory Heights Playground Play Area. Please join Seattle Parks and Recreation's in-house landscape architect and project planner at the Victory Heights Cooperative Preschool for a meeting on this project in partnership with the preschool and Victory Heights Community Council (VHCC). We will have an open house to show design options and gather your input from 6-7 p.m. and there will be a formal presentation at the VHCC meeting 7-8 p.m. Your ideas, comments and recommendations will assist us with creating a preferred design to renovate your play area.

This project will replace play equipment, provide access improvements and improve other features at the park. The scope of these projects provides improvements to bring the play area into compliance with current play area safety standards and Americans with Disabilities Act (ADA) access.
